Net Income Before Taxes	\$90,700	\$240,500

Key Projection Assumptions:

- **Sales & Revenue:** Driven by SecureBase compliance platform subscriptions, FFIEC automated compliance modules, and AWS Marketplace enterprise listings.
- **COGS:** Scalable multi-cloud infrastructure (AWS/GCP/Netlify hosting, DNS, API services).
- **Operating Expenses:** Includes owner compensation, target marketing to regional financial institutions, cell/utilities (\$900/qtr), legal/compliance fees, and developer tooling.
- **Debt Service:** Calculated based on commercial term financing collateralized by real estate holdings in Limestone County, Texas.
