

SecureBase Privacy Policy

Last Updated: July 4, 2026

1. Introduction

SecureBase ("we," "us," or "our") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our compliance automation platform. By using SecureBase, you consent to the data practices described in this policy.

2. Information We Collect

We collect information that identifies, relates to, or could reasonably be linked with you or your device:

- **Account Information:** Names, email addresses, phone numbers, and billing information provided during account creation.
- **Usage Data:** IP addresses, browser type, pages visited, time spent on pages, and interaction patterns.
- **Customer Content:** Any data or configurations you upload to your AWS environment via our platform.

3. How We Use Your Data

We use the collected information for: Service Delivery, Security & Compliance monitoring, Analytics, and Communication.

4. Data Sharing and Disclosure

We do not sell your personal data. We share data only with trusted service providers, to meet legal obligations, or during legitimate business transfers.

5. Data Security

We employ encryption in transit and at rest, strict IAM access controls, and regular SOC 2 Type II compliant security assessments.

6. Your Rights

Users may have rights to access/rectification, erasure, and opting out of non-essential data collection.

7. Contact Us

For questions regarding this policy or to exercise your data subject rights, please contact our privacy team at: privacy@tximhotep.com.
